### **QUEST Machining & Fabrication, LLC. Acquires assets of TATRA Industries Corp.**

**Long Island, N.Y., January 2017** — QUEST Machining & Fabrication, LLC. of Holbrook, NY, today announced the acquisition of the assets of TATRA Industries Corp. of Copiague, NY, which specializes in precision sheet metal fabrication.

“TATRA has an excellent reputation in serving Long Island companies for over 30 years. I am delighted to welcome the entire team from TATRA. This strategic acquisition will provide an excellent complement to QUEST’s existing operations, as it significantly enhances our ability to provide customers with a one-stop-shop for a full range of sheet metal fabrication, machining, and assembly services. Existing and new customers can expect to receive the best in high quality, fast delivery as well as exceptional customer support”, said Keith Matovich, President of QUEST Machining & Fabrication, LLC.

QUEST welcomes all current employees and management from TATRA to join the QUEST team. They also plan to significantly grow the existing business, thus adding additional employees to its growing Long Island workforce. The acquisition has already added five new jobs to its Holbrook facility, with more planned in 2017.
